

TERMS AND CONDITIONS

My Services

The rate stated below outlines a standard day rate for photography and/or video and is correct as of January 2024. This rate also includes necessary, standard kit required for each specific shoot. Specialist and/or additional rental kit will be agreed between myself and the client before booking and expensed back to the client. I will inform you in advance of any rate changes.

A full kit list can be found on my website.

Rate

My standard day rate for filming and/or photography is £450 (+VAT) and any expenses incurred (see below). Travel days to locations where no photography work is carried out will be charged at £350 per day (+VAT and expenses).

My day rate for editing and post production is £350 (+VAT).

Penciled bookings

Penciled bookings will be taken on a first-come-first-served basis. Should a confirmed booking come in after a penciled booking for the same date, the penciled booking will have 24 hours to confirm the shoot before the confirmed booking is accepted.

Expenses

Personal expenses for travel to and from the shoot location will be added to my rate. If travelling by car, I charge standard rate mileage of 45p per mile. Reasonable expenses for food during the shoot will also be included, if not supplied by the client.

Cancellation Policy

Any confirmed booking which is then cancelled within 24 hours of the date agreed will incur a full day rate cancellation fee (see above). Cancellations within 48 will be charged at a reduced rate of £350 (+VAT). Cancellation over 48 hours in advance will not be charged.

This may however be waived if the day can be filled with another booking.
